The American Foundry Society, Inc and the North American Die Casting Association, hereinafter called the Lessors and the exhibiting company, hereinafter called the Exhibitor, contract for exhibit space at CASTEXPO'10 sponsored by the American Foundry Society Inc. and the North American Die Casting Association, to be held at the Orange County Convention Center, Orlando, FL, March 20-23, 2010.

WITNESSETH: That said Lessors, in consideration of the mutual covenants herein set forth, and the faithful performance thereof by the Exhibitor, hereby grants the Exhibitor the right to the use of assigned exhibit space to be equipped by the Lessor, as provided by the Exposition Regulations. **Said premises to be used by the Exhibitor and no other, to wit:** From 8:00 a.m. Monday, March 15, 2010 until 12:00 midnight Friday, March 26, 2010. Goods not removed by this hour will be removed and stored by the Lessor at Exhibitor's own risk and expense.

This agreement is made and entered into upon the following terms and conditions, which are mutually agreed to by both parties:

1. AGREEMENT

Exposition Rules and Regulations shall be and are hereby made a part of this agreement. These Rules and Regulations have been drawn with the single objective of producing a successful Show, both for Exhibitors and the public. The Exhibitor agrees to the terms of this Contract and acknowledges that in emergencies and wherever the foregoing rules do not cover, Show Management reserves the right to have full power in the interpretation and enforcement of all Contract regulations contained herein, and the power to make such amendments thereto, and such further Rules and Regulations as shall be considered necessary for proper conduct of the exhibition.

2. COMPLIANCE

The Exhibitor assumes all responsibility for compliance with all pertinent laws, ordinances, regulations, and codes of duly authorized local, State, and Federal governing bodies concerning fire, safety and health, together with the Rules and Regulations of the operators and/or owners of the property wherein the Exposition is held.

If for any reason Exhibitor does not occupy space contracted for, or fails to comply in any other respect with the terms of this agreement, the Lessor shall have the right, without notice to the Exhibitor, to sell such space or any part thereof and credit the amount received toward any unpaid balance owing on the Exhibitor's contract price.

3. PAYMENT FOR SPACE

The cost of space hereby leased shall be charged at \$28.00 per square foot or \$25.00 per square foot for American Foundry Society or North American Die Casting Association corporate members.

50% (less initial deposit) to be made within 30 days of notice of booth space assignment.

You will receive an invoice for your final 50% which is due on or before December 1, 2009.

NO REFUNDS WILL BE MADE ON CANCELLATIONS RECEIVED AFTER OCTOBER 1, 2009. THE \$1,000 INITIAL DEPOSIT IS NOT REFUNDABLE AT ANY TIME.

In the event that the Exhibitor fails to make payment per the terms of the agreement, Lessor may cancel any space assignment at its option and without prior notice to Exhibitor, and Lessor may reassign such space.

All payments are non-refundable after October 1, 2009. Exhibitor may reduce exhibit space originally contracted for by requesting reduction in writing. Payments due after notice is received shall be reduced accordingly, however, all other payments shall remain subject to cancellation policy and show management reserves the right to relocate the exhibitor in the best interest of the show.

4. SPACE ASSIGNMENT

The American Foundry Society, Inc. and the North American Die Casting Association will make assignments of space guided, insofar as practicable, by expressed requirements and preferences of Exhibitors, but reserves the right to change Official Floor Plans and to assign or reassign Exhibitors for the best interest of the Exposition as a whole.

Exhibit space is assigned based on seniority, exhibit requirements, corporate membership, advertising and date and time contract and deposit are received. No exhibit space will be assigned until deposit is received.

Lessors reserve the right to request modification or relocate or remove any Exhibit that is offensive or objectionable, that does not conform to exhibit specifications without approval, or that in Lessors' sole opinion, detracts from the character of the Exposition. Exhibitor shall make all reasonable changes to the exhibit requested by Lessors at Exhibitor's sole expense.

If Exhibitor's space is modified, relocated or removed for any reason, Lessors shall not be required to refund any payment or to reimburse Exhibitor for any cost or expense incurred.

5. DAMAGE, LOSS OR THEFT

The American Foundry Society, Inc. and/or the North American Die Casting Association shall not be liable for loss or damage to property of the Exhibitor, their agents or employees by theft, fire, accident or other cause. Exhibitor further indemnifies and holds harmless the Lessors, their agents and representative for any damage or injury to persons or property from any cause by reason of use or occupancy of exhibit space or participation in CastExpo.

6. SHOW CONTRACTORS

In all cases where an official contractor or contractors have been designated by the Show Management to perform services for the Exhibitors, and the Exhibitor desires to contract for said services with any other contractor, Exhibitor must advise the Show Management 60 days in advance of the installation in writing, and secure written permission for said contractor to work in the exhibit hall. Show Management will control all contractors. Insurance forms provided by display builder must accompany this request.

7. CANCELLATION

Should the Exposition be canceled due to events beyond the control of the Lessor, including but not limited to acts of God, war, labor strikes, governmental emergency, destruction of exhibit facility, terrorist attacks in the city which the event is located, or curtailment of transportation either in the city or in the countries/states of origin of the attendees, which prevents at least 40% of the attendees from arriving for the first scheduled day of the event, make it impracticable, illegal, or impossible to perform as originally contracted under this Agreement, the Lessor may terminate this Agreement, without liability, except to refund monies received less a pro rata share of Exposition expenses incurred, upon written notice.

Should Lessor elect to cancel the Exposition, Lessor's liability to Exhibitor shall be the refund of any payments for booth space received. Lessor shall not be liable for any consequential damages which may arise from such cancellation.
