NO USED equipment can qualify or be approved for exhibits in the exposition hall. **Only one company may exhibit in a single booth.**

SPACE RENTAL AND INITIAL DEPOSIT

Assigned space will be charged on the basis of \$28 U.S. per square foot or \$25 U.S. per square foot for American Foundry Society (AFS) or North American Die Casting Association (NADCA) Corporate Members. Space sizes are shown on the Floor Plan with minimum booth space at 10'x10'. Space applications must be accompanied by a deposit of \$1,000 that will be applied against the total space rental. **The deposit is nonrefundable at any time.**

ASSIGNMENT AND PAYMENT OF SPACE

Space assignments must be accepted within 30 days of receipt of invoice, with payments to be made as follows: Fifty percent (50%) of the space cost, less the \$1,000 deposit, due within 30 days after receipt of space assignment and invoice. Final payment due on or before December 1, 2009. Failure to make timely payments can result in cancellation of space.

CANCELLATION OF EXHIBIT SPACE-REFUND

In the event of exhibit space cancellation, a refund can be made, **less the nonrefundable \$1,000 deposit**, providing the cancellation is received by October 1, 2009. **No refunds will be made on cancellations after this date.**

EXHIBITORS' USE OF SPACE

In compliance with the official contract, Exhibitors agree not to assign, sublet or apportion space, or any part thereof allotted to them. **They agree not to exhibit, advertise or offer for sale goods other than those manufactured by themselves in the regular course of business.** The only exception to this rule is when nonproprietary goods are manufactured outside of the United States and the Exhibitor is the **sole United States sales representative for the respective goods.**

The use of materials in any form and/or equipment of non-exhibiting companies is prohibited. Exhibitors requiring materials or equipment in their exhibits, which they do not produce, **must confine their selection from participating exhibitors.**

No Exhibitor will be permitted to display, advertise or offer for sale any used equipment or machinery.

A verbal warning by Show Management will be given once to any Exhibitor violating this rule. If the violation continues, Show Management reserves the right to confiscate the objectionable material/item for the remainder of the Show days, or to authorize the removal of the exhibit booth from the Exhibit area at the cost of the Exhibiting company, including forfeiture of all charges and fees.

USE OF AISLES

The aisles, passageways and overhead spaces remain strictly under the control of CastExpo. No signs, decorations, banners, advertising matter or special exhibits will be permitted in the aisles. Uniformed attendants, models, mascots and other employees must remain in the booth occupied by their employers. All advertising distribution must be made from the Exhibitor's booth space and space must be left within an exhibitor's area to accommodate spectators.

HEIGHT LIMITATIONS

Exhibits shall be arranged as not to obstruct the general view or hide other exhibits.

The standard In-Line booth height is an 8' high back wall with 4' high division rails. No exhibit construction and/or signage may exceed the maximum 8' overall height with the exception of equipment. Sidewalls on standard In-Line booths are limited to the 8' height, out to one half the depth of the exhibit space, and from that point to the aisle a maximum height of 4' is permitted.

Perimeter In-Line booths (less than 400 square feet) are permitted a 12' high back wall including signage but are subject to standard In-line booth restrictions on sidewalls.

End Cap booths are not permitted, however Peninsula booths of 400 square feet or larger are permissible. A Peninsula booth which backs up to two standard In-Line booths is subject to a back wall restriction of 4' high within 5' of each aisle to permit an adequate line of sight of the adjoining In-Line booths. The height allowance for the center portion of the back wall including signage is 16'.

Split Island (a Peninsula which shares a common back wall with another similar sized Peninsula), Island and Perimeter spaces of 400 square feet or larger are encouraged to use the full cubic area with no height limitations.

All exposed parts of Exhibits must be finished so as not to present an unsightly appearance when viewing from adjoining booths or aisles. Show Management may order masking drape at Exhibitor's expense if deemed necessary.

Hanging Signs and Graphics are only permissible for Peninsula and Island booths but must be approved in advance. Drawings and specs must be submitted to Show Management at least 8 weeks prior to the first installation date.
